

Action Sheet

MEETING DATE: March 27, 2024

AGENDA ITEM: Discuss and Consider Approval of the proposal provided for the relocation of the existing LA Morgan Elementary Playground to Austin Middle School.

The current playground structure located at La Morgan Elementary appears overall in good condition. It has been proposed to relocate the play-ground structures to the green space at the Northwest corner of the current Austin Middle School in preparation for the transition to an Elementary School. In total (2) bids were received, one proposal from Tucon Construction in the amount of \$121,000.00 and one proposal from McKenna Contracting in the amount of \$135,460.00. In reviewing the proposals, it was noted that McKenna Contracting is a member of the purchasing cooperative Buy Board (contract # 679-22). Additionally, McKenna Contracting is a Texas distributor and installer of commercial playground equipment. Student safety is a priority for GISD and it is recommended that the proposal to relocate the LA Morgan play-ground is performed by an experienced contractor such as McKenna Contracting.

RECOMMENDATION: I move that the Board of Trustees approve the proposal from McKenna Contracting in the amount of \$135,460.00.
