

**GOVERNING BOARD AGENDA ITEM FORM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: May 11, 2010

TITLE: Authorization to Construct & Operate a High Speed Wireless Internet Relay Facility at Ironwood Ridge High School and to Negotiate & Execute the Necessary Documents

BACKGROUND: A proposal was received on April 7, 2010 from Olson Diversified Services representing Clear Wireless, LLC to install a high-speed wireless Internet antennae at Ironwood Ridge High School. Facility Support Services has reviewed and approved the preliminary design drawings for the installation. An MPE (Maximum Permissible Exposure) Report has been performed by Clearwire. Prior to signing a contract with the District the report will be reviewed and stamped by Hardin & Associates, a professional engineering firm. The Administration with Governing Board approval will to enter into an agreement with Clear Wireless, LLC and execute such documentation as may be required to effect the wireless antennae installation.

RECOMMENDATION: The Administration recommends the Governing Board approve the installation of a High Speed Wireless Internet Relay Facility at Ironwood Ridge High School and authorize the Administration to negotiate and execute the necessary documentation.
