Re: Summer 2019 Security Contractor – 2013 Bond

I would like to request adding Summer 2019 Security Contractor as an agenda item to the January 22, 2019 Committee of the Whole meeting so Scott Smith, Plante Moran CRESA, and I can update the Board on the award recommendation for the summer of 2019 renovation project at Niji-Iro Elementary.

As a reminder, we have previously contracted with Security Designs, with the option to extend our working relationship via the change order process, for them to be retained again by the District in order to provide similar work. Since the Bond Team has been satisfied with the previously contracted work of the firm, this request for change order is essentially an extension of that previous contract for work, with an extension of the scope of work to include Niji-Iro Elementary School.
