

## School Activities in July

### **Background:**

#### ***Weight Rooms Can Reopen***

The student activity immediately affected by the reopening of schools is the school weight room. I do not believe the administration can reopen the weight room when the school board voted not to field baseball and softball teams. The baseball and softball seasons are still playing. Post-season play in baseball begins Thursday, July 9. The softball regional tournament begins July 13.

Our football coach is eager to get his team into the weight room. Also, our eSports team members would like to re-enter the school to use our computers to practice.

### **Recommended Action:**

I recommend the board move to
