ABSTRACT:

Board policy revisions require Board approval.

ISSUE:

At issue is to approve the first reading of the proposed BP 6148 Early Education Programs and open for public comments.

BACKGROUND AND/OR PERTINENT INFORMATION:

The Superintendent/designee presents drafts or suggestions for board policy revisions when the law changes or specific needs occur. Policy revisions shall normally be given two readings prior to adoption by the Board.

This is the first reading of the proposed BP 6148 Early Education Programs to be within the Students series.

This new policy implements the early education grant program under the Alaska Reads Act. It sets forth the compliance requirements for a district that opts for an early education grant under the Alaska Reads Act.

The Board Policy Committee reviewed the new policy, recommends approval and to open it for public comments.

ALTERNATIVES:

1. Approve the first reading of the proposed BP 6148 Early Education Programs as presented and open it for public comments;
2. Do not approve the first reading of the proposed BP 6148 as presented;
3. Take no final action.

ADMINISTRATION'S RECOMMENDATION:

The administration recommends the Board approve the first reading of the proposed BP 6148 Early Education Programs as presented and open it for public comments.

Note: The purpose of this policy is to implement early education programs established by the Alaska Reads Act, HB 114. Early education programs are voluntary, and grant funds can be used to either develop a Pre-K program or improve upon an existing program.

The Superintendent, in consideration of appropriate District need, may seek a grant for an early education program under AS 14.03.410 and 4 AAC 60.200. Before applying for a grant, the District shall, to avoid duplicate programs and facilitate resource sharing to improve early education within the district, consult with each local and tribal head start program within the district's boundaries. The Superintendent must ensure that the District has the resources and intent to create an early education program.

The District-wide early education program must:

1. Adopt an evidence-based program of learning.
2. Have a certificated teacher in charge of the program.
3. Implement the guidelines for an early education program described in the department's *State of Alaska Early Learning Guidelines* under 4 AAC 60.170.
4. Have a minimum day in session of two (2) hours per day, five (5) days per week.
5. Accommodate the early education needs of district children and their families, regardless of socioeconomic circumstances.

The District shall provide an annual ADM assurances report regarding its early education program in a format prescribed by the Department of Education and Early Development.

During the grant period, a school district that receives a grant award under 4 AAC 60.200 must demonstrate progress towards meeting or exceeding the standards for a high quality early education program under AS 14.07.165(a)(5) and 4 AAC 60.190 by complying with the department's grant reporting requirements and submitting a year-end report to the department.

The District's early education program must also comply with the requirements under 4 AAC 60.205.
