Re: Recommendation to hire the following: Kristen Farmer as Classroom Teacher

I am excited to recommend Kristen Farmer to be hired as a new 3rd grade teacher for this upcoming school year. Kristen comes highly recommended from her prior school district, where she has 13 years of experience in 3rd grade. Kristen has been a leader in her district on the topics of standards-based grading, PLCs, and managing student growth and data. Our interview team was impressed with her ability to collaborate, a proven ability to work with different groups of students, and the effective ideas she can bring to our team in the spirit of school improvement. Welcome to Prairieview, Kristen!!
