

OCSBA Bylaws Article IX, Section 5, Resolution Adoption:  
Resolutions that are approved by at least nineteen (19) member school districts shall be the official position of the association as interpreted and pursued by its board of directors.

## TWO (2) PROPOSED NEW RESOLUTIONS

### Proposed new resolution #1:

OCSBA supports non-partisan school board elections.

### Rationale for proposed new resolution #1:

This proposed resolution is in response to HB 4588 that is now moving through the state House.

Link to the bill: <https://legislature.mi.gov/Bills/Bill?ObjectName=2025-HB-4588>

Partisan school board elections will:

- Decrease the number of willing candidates, and
- Increase campaign costs (school board members would have to be successful in two elections – a primary election as well as the November election), and
- Align local education decisions with party interests rather than student needs, and
- Exclude thousands of current or potential board members, including federal employees, who are legally prohibited from running in partisan races.

### Proposed new resolution #2:

OCSBA supports full funding of Early On Michigan, an early intervention program for infants and toddlers from birth to age three with disabilities, developmental delays or are at risk for delay(s) due to certain health conditions.

## **Rationale for proposed new resolution #2:**

This resolution is proposed because we need to shine a light on the importance of early intervention programs such as *Early On Michigan*, and the need for additional state funding to adequately serve the families of children already identified as eligible, and to serve all children who *should be* identified as eligible.

The Michigan Mandatory Special Education law (or MMSE) requires special education services be provided for eligible children and students from birth through age 25. Federal law also mandates early intervention programs.

- Part B of the Individuals with Disabilities Education Act (IDEA) refers to special education services for students ages 3 through 21.
- Part C of IDEA refers to early intervention services for eligible infants and toddlers from birth through age 2.
  - In Michigan, Part C is called *Early On*.
- Special education supports and services for students age 22 through 25 is part of MMSE.

OCSBA has always supported early childhood education. The earlier the intervention begins, the greater the impact.

*Early On* is Michigan's statewide, comprehensive, coordinated interagency system of early intervention services for infants and toddlers, birth to age three years with disabilities and their families. *Early On* is coordinated by the Michigan Department of Education and provides services under Part C of the Individuals with Disabilities Education Act (IDEA).

Local communities receive funding through their local Intermediate School District (ISD) to implement *Early On*. Each local ISD jurisdiction has an interagency coordinating council (comprised of individuals from human service agencies, parents, educators, and other agency personnel who serve families) that guides implementation locally. Implementation is also guided through local memoranda of understanding between education, mental health, public health, and social services.

For 50 years we have advocated for IDEA funding for students. The congressional promise to fund 40% of the cost of providing special education services applies to Part B (children age 3 to 21) -and- to Part C (early intervention services infants and toddlers through age 2). While we continue to advocate for federal funding, state funding for woefully lacking for *Early On*:

- The estimated annual cost is \$230M to provide high-quality early intervention services.
- The state should appropriate *at least* \$138M (60% of the estimated annual cost).
- Section 54d of the FY26 School Aid Act provides state funding of \$48M.
