**3C. Report**

**TO: BOARD OF SCHOOL TRUSTEES**  
**DATE: August 9, 2004**  
**SUBJECT: GYMNASTICS PRACTICE FACILITY**

As reported to the KISD Board of Trustees earlier this summer, the district has been in search of a gymnastics training facility for our program. In June, one training facility came forward with a proposal consisting of free use of their facility. Two weeks ago another training facility came forward with a similar offer. Since both offers were uniquely similar, it was then apparent that the district needed to send out a request for proposal. These proposals will be available at the next board meeting as well as the recommendation from Administration for approval of a gymnastics training facility for the 2004 – 2005 school year.
