Items of Interest:

We had a drawing for perfect attendance for first semester and gave away four \$50 gift certificates to Books a Million. 147 students in grades 1 and 2 had perfect attendance the first semester. Ten staff members had perfect attendance and were recognized: Heather Ake, Julie Hansen, Sheila Hilburn, Lisa Sanders, Valerie Anderson, Jessica McIntire, Susan Langford, David McIntire, Kay Ray, and Susan Cost.

Our teachers met to make wish lists for classroom items to be purchased with our fundraiser money. Items include cameras, more iPads, headphones, Science kits, musical instruments, more student computers for the Content Mastery Lab, and books for the library. The money is also used to fund many things for students, including field trips, our Veteran's Day program, Young Audiences and student awards.
