Summary:	Texas Senate Bill 13 (SB 13), effective September 1, 2025, created new requirements for how public school districts manage library materials, parental oversight, and community involvement. It required Districts to adopt policies for acquiring all library materials, including donations, and follow new state standards prohibiting materials deemed harmful, indecent, profane, pervasively vulgar, or educationally unsuitable. The CHISD was proactive in adopting a policy that meets this criteria, EFB (LOCALI) in November 2024.
