Re: Board Report

This was a great year for Homedale Middle School! Every year we have a male and female 8th grade athlete of the year and this year's were Michael Babcock, Daniel Uranga, and Gracie Dines. I am excited for this upcoming year and a new group of athletes beginning to represent the schools.

Beginning in the middle of July all 7th and 8th grade volleyball athletes will be able to attend open gym twice a week in preparation for the upcoming season.

Also in July the 7th and 8th grade football players will be able to attend field work and lifting with the high school team. Coaches at the high school have already seen vast improvement and commitment from the incoming freshman which I attribute in large part to the summer activities available.

It has been a privilege to work in Homedale and in the capacity of Middle School Activities Director. I look forward to watching Homedale progress this next year. I know change and transition is difficult but I know everything will play out for the best.
