

# **Temple Independent School District**

## **Board of Trustee Meeting Agenda Item**

### **January 12, 2026**

**Consideration to purchase 265 Motorola Two-Way Radios with applicable accessories to support district wide safety and security measures.**

**Background Information:**

The Temple ISD Security Department is needing to replace a conglomerate of old two-way radios with one brand of Motorola SL 300 Portable Two Way radios that will offer a wider coverage, ease of use, and instant communication throughout Temple ISD. This is a result of the 2025 Bond safety initiatives.

**Recommendation:**

Approve the purchase of 265 Motorola Two-way Radios from Mobile Communications of America at a cost not to exceed \$240,000. Funds will be from the general funds account. This purchase will provide a much improved communication for Security officers, and District Staff throughout the District. The improved response time will provide better security and safety of District staff, students and assets.
