## Running For National Office

Take a few moments to remember all the goals and aspirations you have had throughout your life. Think of the times when you wanted to accomplish something but there was always something or someone holding you back. Consider the following questions:

- Have you ever wanted to do something that would give you the opportunity to make a difference?
- Do you want the opportunity to lead others into the future of health care?
- With these questions in mind, have you ever considered being a national officer for HOSA?

Qualifications for national officer are:

- GPA of 2.0 or higher on a 4-point scale.
- Junior or Senior in high school (Secondary Division)
- Postsecondary/Collegiate member (PS/C Division)

Believe in yourself and make the decision of a lifetime. Make the decision to be a national officer for HOSA and create a great future with HOSA, health care and you.
