# Non-Profit/Community Service Learning Site Application

If submitting an application for a place of worship, the service activities must provide a service that extends beyond serving members (e.g., setting up for a service). The activity must serve the community at large and not just the members of the place of worship.

---

Untitled Section

Does your organization have sites at other locations? \*

Yes ▼

If yes, where? \*

2951 South First Street Cabot AR

---

What is the mission of your organization? \*

Cabot Animal Support Services is dedicated to improving the lives of animals in our community through public education, resources, and humane animal services.

---

What service(s) does your non-profit/community organization provide? \*

Public Education Resources and Humane Animal Services, Pet Pantry

---

Describe the volunteer activities students would participate in with your organization. Be specific. For example, write, "stock and organize cans in food pantry for community members" instead of "help in food pantry." \*

Assists with the facilitation of events(e.g. Farmers Market, Vaccine Clinic, Adoption Events, Walk About Cabot). These events are not just informational, but hands on as well. Volunteers serve as adoption counselors- getting to know shelter pets and matching them with the right potential adopter. At our Pet Pantry, volunteers serve to bag up donated pet food and help to distribute it to community members in need. Volunteers are the backbone to this organization. They do countless odds and ends jobs that truly not only help the pet community, but he human community as well!

---

### Curriculum Connections

The activities that students complete may connect to what they're learning in school. Select the curriculum connections that your organization may reinforce. Select all that apply. (Adapted from the Maryland Student Service Alliance)
