

NOVEMBER 2014

ATHLETIC DIRECTOR REPORT

- A. Fleming ended our first season with much joy. All the teams improved. We had some great wins and a few really close losses in both Football and Volleyball. We were invited by North Valley coaches and the athletic director to have at least one game on the high school home field. We appreciate their support. What fun for the kids! Our eighth grade Football team got to play on the brand new field at Hidden Valley. They had a great time even in the rain and even with a loss. Our cross country team had a great finish to their season. All of our runners improved their times considerably. We are proud to say at the Championship meet held at South Middle School Ahdra Klingler took first place in the eighth grade girl's competition. It was exciting to see her at the front of the pack with one other girl the whole race. We have begun our Boys Basketball season this week. We have our first game November 10th. We have moved up to the Gold league this year for both teams. This will be a new challenge for our school. We have some fantastic coaching staff and eager, talented kids so we are looking forward to a fun season. We are also beginning the early preparation for Girls Basketball and Wrestling in January.
