7 **Use of Federal Title I Funds Methodology**

8 In accordance with the Every Student Succeeds Act (ESSA), \_\_\_\_\_ School District has  
9 adopted this procedure to ensure that Title I-A federal funds are supplementing District resources  
10 and not supplanting District resources. The procedure documents that the School District’s  
11 neutrally determined distribution of state and local funds to each school within the boundaries of  
12 the School District is in compliance with federal law.

13  
14 **[Option 1]** \_\_\_\_\_ School District is a district with a single school and is exempt from the  
15 methodology requirement.

16  
17 **[Option 2]** \_\_\_\_\_ School District is a district one grade span per school and is exempt from  
18 the methodology requirement.

19  
20 **[Option 3]** \_\_\_\_\_ School District is a district with multiple schools per grade spans and  
21 adopts this methodology in accordance with ESSA. For the purposes of this methodology  
22 elementary means grades K-8 and secondary means grades 9-12.

23  
24 The School District determines the resource allocation on total enrollment for each school as if  
25 the state and local funds are the only resources each school is receiving. Each school is given  
26 additional allocations for other needs such as technology, supplies, and additional necessary  
27 costs.

28  
29 The School District groups schools by elementary or secondary grade span. Each grade span may  
30 receive a different per student amount, but all schools are treated the same whether or not these  
31 schools are served under Title I-A. There are \_\_\_\_\_ elementary students and \_\_\_\_\_ secondary  
32 students in the School District.

33  
34 The School District’s state and local funds are allocated in a per student calculation. For full-time  
35 equivalency staff including administrators, educators, instructional staff, and school counselors,  
36 including salaries and benefits \$ \_\_\_\_\_ is allocated per elementary student and \$ \_\_\_\_\_ is  
37 allocated per secondary student.

38  
39 Additional necessary costs, such as professional development, technology, lunch, library  
40 supplies, transportation, student activities, utilities, maintenance, safety, and security, are  
41 allocated at \$ \_\_\_\_\_ per student in all schools.
