

June 2017 Child Nutrition/Food Service Warehouse Building Report

June 28, 2017

Lynne Keenan

Child Nutrition Director

With the kick off of our Summer Lunch program on June 12th 2017, we had 240 students participate as well as 114 adults. The turnout was great and everyone had an awesome time.

Monday thru Friday we have three locations doing breakfast and lunch which are BES, BMS and Babb

Four locations on the Food Bus Mobile

- Old Low Rent
- Low Rent
- Sinclair Drive (Femaville)
- Starr School

Two locations on the Food Truck Mobile Sites

- New Blackfeet Homes
- Skate Park

As of today an average of 35 children at Browning Elementary are enjoying summer breakfast and 200 children are enjoying summer lunch meals.

An average of 60 children at Browning Middle School is enjoying summer breakfast and 150 children are enjoying summer lunch.

The six mobile locations and Babb are also accumulating respective numbers of children participating in the summer lunch program with numbers around 220 meals a day.

An average of 200 students is enjoying their summer supper at Napi Elementary.

In conclusion on an average day for all of our locations including breakfast, lunch and dinner we are serving around 865 meals a day.
