

McKinney Independent School District
#1 Duvall Street, McKinney, Texas 75069

To: Board of Trustees
From: Shawn Pratt, Superintendent
Subject: McKinney ISD Open Enrollment
Date: January 21, 2025

Impact Statement: McKinney ISD is seeking to increase enrollment by allowing limited open enrollment for students in kindergarten through 8th grade at designated schools with available capacity. This will allow us to make the best use of our existing facilities and staff while maintaining financial stability.

It is recommended: District leadership recommends that the board accept the open enrollment plan as presented to allow limited open enrollment by application in accordance with the proposed updates to board policy FDA, FDB, and FDE. Guidelines have been developed to complete this interdistrict transfer concurrently with our intradistrict and regular enrollment process.

Resource Person(s):
Melanie Raleeh, Deputy Superintendent
Dr. Michael Winters, Senior Director of Administrative Services

Respectfully submitted,

Shawn Pratt
Superintendent
