

BOARD OF SCHOOL TRUSTEES
KELLER INDEPENDENT SCHOOL DISTRICT

11F. Preview

Date: January 8, 2007

SUBJECT: BID AND BID RENEWALS

BOARD GOAL: All systems in the Keller Independent School District will be effective, efficient, and accountable in support of the district's mission.

FISCAL NOTE: Budgeted Funds

ANTICIPATED DATE FOR ACTION: January 22, 2007

Background Information:

- The bid renewals are listed on the accompanying spreadsheet. All bids listed have provisions for renewals if the Board approves the submittal. After Board approval, the vendors are contacted to find out if they are interested in renewing the designated bid.
- The Bid for the Surveillance Equipment for School Buses opened December 8, 2006. Student management and student behavior prompted the camera idea solution for 50 route buses. Cameras are widely used by districts around the country for monitoring purposes. Camera recordings are the actual, documented evidence identifying possible poor student behavior.
- No provisions for any surveillance equipment were included in the contract between Keller ISD and Durham Transportation. The district believes cameras will be a deterrent to bad behavior and add needed security for the home-to-school trip.
