At the last regular meeting, I shared the Strategic Plan Initiatives for 2023-2024 with the Board prior to submission for formal approval. For review, the following are the proposed priorities for initiatives for the 2023-2024 school year:

- Continued implementation of the Multi-Tiered Systems of Supports (MTSS);
- Continue to increase student voice within the District;
- Review and plan for the possibilities of expansion of curricular programming in STEM, Foreign Language, and full day kindergarten;
- Core curriculum work in mathematics;
- Maintain the District Leadership Council's work;
- Continue community outreach efforts;
- Refine practices for consistent, clear, ongoing communications with stakeholders and seek feedback for continued improvement;
- Identify opportunities to strengthen and enhance the District's financial base.

**Recommendation:** The Board approve the Strategic Plan Initiatives for 2023-2024, as presented.
