

~~... in pursuit of excellence...~~

~~The mission of the Denton Public Schools, **is** in partnership with the home and community, is to provide quality educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected so that our students become knowledgeable and responsible citizens who are capable of life-long learning and who have developed the necessary skills to contribute productively to a complex and ever-changing world.~~

**Empowering lifelong learners to be engaged citizens who positively impact their local and global community.**
