

SCHOOL BOARD MEETING REPORT

Board Meeting Date: _____ **Superintendent:** David Holmes

Administrator/Staff: Kirk Baumann

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

I would like to apply for a class set of 30 chrome books, plus the charging cart on gofundme.com. The cost would be approximately \$7855.00

Provide history/background information on your proposal:

Our school received one set of chrome books that are currently shared between three classes. Since I have been utilizing the chrome books as much as possible, my students are now enthusiastic about writing. In fact, we were able to complete 15 writing assignments within 9 weeks. Some assignments were short story retells, others were long, like a six paragraph comparison essay.

List the advantages of your proposal:

So far I have utilized the chrome books for Reading, Writing, Social Studies and Science. Having my own class set, will allow me more time to prepare the students for middle school and give us more flexibility for their use.

List possible disadvantages of your proposal:

Other teachers may be jealous.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

I could look at other grant possibilities, but I was told this was where I should start.
