- ~~9. Electives –one and one-half (1.5) units~~

Utah Admin Rule 300-7-011(B)
Utah Admin Rule 300-701-3

4.0510.04 GRADES 9-12

Issue Date: 5/8/97

~~Twenty-four (24) units of credit are required, including:~~

- ~~1. Language Arts - three (3) units~~
 - ~~2. Mathematics - two (2) units~~
 - ~~3. Science –two (2) units~~
 - ~~4. Social studies - three (3) units (including values education)~~
 - ~~5. Arts - one and one-half (1.5) units~~
 - ~~6. Healthy Lifestyles –two (2) units~~
 - ~~7. Vocational Education - one (1) unit~~
 - ~~8. Information Technology (credit optional)~~
 - ~~9. Exploration~~
 - ~~10. Electives - nine and one-half (9.5) units~~
- Selected elective units of credit provide a means of specialization related to student interest and post-secondary goals.

8. Educational Technology; including keyboarding

9. Library Media skills, integrated into the core subject areas

10. Civics and character education, integrated into the core subject areas

Utah Admin Rule 300-700-10(B)
Utah Admin Rule 300-701-3

4.0510.03 GRADES 7-8

The general core curriculum in grades 7-8 shall consist of 20 credits (10 credits per year):

1. Language Arts – four credits (including labs)
2. Mathematics – four credits (including labs)
3. Science - four credits (if offered, including labs)
4. Social Studies (United States History one credit and Utah History one-half credit)

At least one-half credit of each of the following:

- Arts
- Health Education
- Physical Education
- College and Career Awareness
- Digital Literacy

5. Electives - as many as needed to reach 20 total credits

Utah Admin Rule 300-7-011(B)
Utah Admin Rule 300-701-3

4.0510.04 GRADES 9-12

Thirty-six (36) units of credit from a list of courses approved by the Board of Education and the State Board of Education are required for graduation by DCSD schools that attend five days per week, including:

1. Language Arts - four credits (plus required labs)
2. Mathematics - three credits (plus required labs) for graduation; four credits (plus required labs) for college-ready
3. Science - three credits
4. Social studies - three credits
5. Arts - one and one-half credits
6. Health and Physical Education - two credits
7. Career and Technical Education - one credit
8. Digital Studies - one-half credit
9. General Financial Literacy - one-half credit
10. Electives - as many as needed to reach 36 total credits

- a. ~~College Entry Cluster: i. Foreign Language—two (2) units~~
 - ii. ~~Mathematics—one (1) unit~~
 - iii. ~~English—one (1) unit~~
 - iv. ~~Science—one (1) unit~~
 - v. ~~Electives—four and one half (4.5) units~~
 - b. ~~Technology/Vocational/Job Entry Clusters (select one):~~
 - i. ~~Technical Emphasis—four (4) units~~
 - ii. ~~Vocational Emphasis—five (5) units~~
 - iii. ~~Computer Science—five (5) units~~
 - iv. ~~Electives—four (4) to five (5) units~~
- Utah Admin Rule 300-700-11(C) (1) (3)
Utah Admin Rule 300-701-3

Selected elective units of credit provide a means of specialization related to student interest and post-secondary goals. Schools on a schedule that is not based on a five day week will use the above criteria as the basis from which their requirements are formed.

Utah Admin Rule 300-700-11(C) (1) (3)
Utah Admin Rule 300-701-3

The District may modify a student's graduation requirements to meet the unique educational needs of the student if the student has a disability and the modifications to graduation requirements are made through the student's IEP.
Utah Admin. Rules R277-700-6(22)

5.0210.26 GRADUATION AND PROMOTION

Issue Date: 5/8/97

High School Graduation Requirements

Grades 9-12
(24 units of credit required)

Subject Area	Number of Credits
Language Arts	4.0
Mathematics	2.0*
Science	2.0*
Information Technology (Computer Literacy)	0.5
Social Studies	3.0
The Arts	1.5
Healthy Life Styles	2.0
Vocational Education	1.0
Electives	8.0

Annual SEOP required with every student

*Duchesne & Altamont High Schools have the option of requiring 3 credits of Mathematics and Science.

All credits are earned on a 0.25 unit basis or multipliers thereof (i.e., 1/4, 1/2, 3/4 or 1). If a student

5.0210.26 GRADUATION AND PROMOTION

See section 4.0510

~~passes any quarter (1/4) of a class, s/he shall receive credit for that portion of the class that said student passed, but also if a student fails any quarter of a class, s/he loses that portion of the class credit that s/he failed. Make-up time for changing incomplete or temporary failing grades may be provided during the school year if such make-up time is warranted. The time limit for make-up work should not exceed one (1) calendar month and will not be carried over into summer months.~~

~~Grades should be weighted for scholarship by an established 4.0 point system.~~

~~Students shall be promoted when they have accomplished mastery on essential elements of subject matter, at a level sufficient to succeed in the subsequent levels of learning. (80% may be used as the level of mastery of those essential elements.)~~

5.0210.27 EARLY GRADUATION

Issue Date: 5/8/97

Students who wish to graduate from school early during their senior year may do so under the following conditions:

1. Students must have completed the minimum of ~~twenty-four (24)~~ credits required for graduation.
2. All core requirements must be completed as outlined by the State Core Curriculum.
3. ~~In the area of Language Arts, each school may decide if the District's requirement for four (4) Language Arts credits means: (a) four (4) credits of English grades nine (9) through twelve (12), or (b) three (3) credits of English grades nine (9) through eleven (11), while the fourth credit may be filled with other Language Arts classes, i.e., Journalism, Foreign Language, etc.~~
4. To be eligible for early graduation, a student must have a plan in his/her SEOP on file at the student's high school which reflects the student's need for early graduation. In the SEOP process, each request should be reviewed by the principal, counselor, student, and parent/guardian to determine if it is in the best interest of the student to graduate from school early. Early graduation must be planned in advance of the time when a student may wish to leave school.

5.0210.27 EARLY GRADUATION

Students who wish to graduate from school early during their senior year may do so under the following conditions:

1. Students must have completed the minimum credits required for graduation.
2. All core requirements must be completed as outlined by the State Core Curriculum.
3. To be eligible for early graduation, a student must have a plan in his/her CCR plan on file at the student's high school which reflects the student's need for early graduation. In the CCR process, each request should be reviewed by the principal, counselor, student, and parent/guardian to determine if it is in the best interest of the student to graduate from school early. Early graduation must be planned in advance of the time when a student may wish to

5. No credits will be waived by the Board, Superintendent, or the principal of the school. Credits may be granted according to the State Board of Education guidelines. It will be the responsibility of the principal to determine if graduation requirements have been met, and after having conferred with the student and his/her parents, grant the release from school. The principal should notify the Superintendent of any students who will graduate early. The principal may seek input or recommendations from the Superintendent on individual cases.

~~6. A student who graduates from high school at the conclusion of grade eleven (11) or during grade twelve (12) shall be entitled to a partial tuition scholarship in the form of the Early Graduation Scholarship certificate to be used at a Utah public college, university, community college, applied technology center, or any other institution in Utah accredited by the Northwest Association of Schools and Colleges that offers post-secondary courses.~~

7. Students who graduate early may participate in graduation ceremonies at their respective schools.

leave school.

4. No credits will be waived by the Board, Superintendent, or the principal of the school. Credits may be granted according to the State Board of Education guidelines. It will be the responsibility of the principal to determine if graduation requirements have been met, and after having conferred with the student and his/her parents, grant the release from school. The principal should notify the Superintendent of any students who will graduate early. The principal may seek input or recommendations from the Superintendent on individual cases.

5. Students who graduate early may participate in graduation ceremonies at their respective schools.
