

Hello! My name is Sara Starck and I am the new Senior Kindergarten Teacher at Atwater. I am originally from Hammond, Wisconsin where I attended St. Croix Central High School. I completed my education at the University of Wisconsin La Crosse where I majored in Early Childhood Elementary Education. My parents still live in Hammond, Wisconsin and I have one older brother, Lee who lives in Missoula, Montana. When I am not teaching I enjoy exploring my new home here in Milwaukee, hiking, kayaking, baking and spending time with my friends and family. I feel so honored and grateful to begin my teaching career in the Shorewood School District. The community and staff have made me feel so supported and welcomed and I could not be more thankful.
