

2007-2008 District Report Card

Dear Parents and Community Members,

October 7, 2008

The Oregon Department of Education is proud to issue the tenth annual school report card. As Oregon schools and districts continue to face many challenges, educators remain committed to providing the highest quality education for Oregon students. This year you will find a federal rating displayed on this report card. This district rating is required by the No Child Left Behind Act. The report card is not meant to tell you everything about your district, but it offers a starting point for discussions about where improvement might be needed and for celebrating successes in education for Oregon's children.
