From the Desk of...

...Kara Mohr, 4th grade teacher

My class has been working hard this year on adding detail to their writing. Their latest assignment was to write about the season of fall using their five senses and two similes.

Below is a sample of their writing;

Season of Fall

I'm hunting for elk in the Columbian woods. While hunting for elk, I see two chipmunks chasing each other up a tree. While walking I feel a fresh elk rub, it was wet like wet grass on a fall morning. We stopped to taste a plum from a plum tree also on the way.

While walking we smelled a pile of elk poop, it smelled like a dead crab in an old crab trap. We have walked about three miles and we hear an elk. We walked up a small hill and now we see him, a huge 7 by 7 elk. My dad draws his bow back; my heart is racing like a race car. My dad shoots him. My dad was so proud of himself and me because I was quiet.

Season of Fall

I'm in the grass when I roll around the leaves and fall to bits. I see a deer in the brush of trees and a squirrel in the tree above me. I hear birds chirping and dogs barking like there is a bear next to them. The trees swing back and forth. A plane went by like a meteoroid getting ready to hit the earth.

By Jacob

Fall

I see oval pumpkins in the field. They are like orange lemon drops. I smell my mother's tea in the blistery mornings. When I go to school, I hear the birds heading south for the winter. I feel the cold air on my nose and ears. I taste the warm cocoa after a hard days work. It's like an ice skater in my soul. Fall is a time of change.

By Lily

FALL

In the season of fall, the leaves on the trees are shades of red, yellow, orange and green. You can watch the bright orange pumpkins growing. You can hear the birds chirping like a lullaby in the trees. You can smell the pumpkin pie in the oven at home. I hear the wind rustling the leaves like a wind storm.

As the temperature drops, you can feel it getting colder. The cocoa tastes like chocolaty goodness after a long days work.

By Carly

The Season of Fall

Right now we are in the season of fall. Fall is beautiful. During fall, I see leaves changing colors and crops being harvested. On the way to school, I see leaves as red as the red stripes on the US flag.

When I walk outside, I can feel the temperature drop tremendously. Now everybody is starting to wear their coats outside into the great outdoors. I taste pumpkin pie on the tips of my taste buds. Each and every time I walk outdoors, I hear birds chirping as they fly south, leaves rustling as I walk, and wild animals such as deer sprinting through the woods. If I'm lucky, sometimes a buck will come up to our backyard and drink. Usually our dog will run it off and when she does, the buck runs down the hillside as fast as a moving car. Fall is a gorgeous and cold season. How does fall look, smell and sound at your house?

By Tatiana

Fall Season

I'm in the country and the grass is wet and moist. The wind is soft on my cheek and the corn crops are swaying in the wind. The fields are moist; the leaves are yellow, brown, red and orange. They fall off the trees and twirl around and around. I see the animals walking. The wheat fields are wiggling in the moist air. I smell hot cocoa and apple pie in the oven. I feel sprinkles coming down from the gray clouds like a full moon on Halloween night. The horses are running like a bullet ready to be fired. My dog, Major Baer, was running around like a maniac because of the leaves falling. We then got a pumpkin to make pumpkin pie. I was in heaven then because of the smell. I tasted the cool air in my mouth. I absolutely love fall.

By James

The Season of Fall

When ever I walk outside I see the pretty leaves falling and changing colors. Then, I go running outside. As soon as I get there, I fall on the nice smooth grass. I heard chirping noises that brightened up my day. I go inside and smell a big cup of smooth Hershey's chocolate. It was so good. I look at the time. Then, I look outside and it is really dark. Soon it is bed time. I lie in my bed and look at the moon. The moon was as pretty as a baby sleeping. I love the fall.

UMPQUA BANK

Save, Share, Spend

Welcome back to Learn to Earn!

It's easy and fun!

Every Wednesday

Fort Vannoy Cafeteria

7:15 am to 7:35 am

If you would like to start a Learn to Earn account, sign-up packets are available from the Learn to Earn representative every Wednesday here at the Fort Vannoy banking area located in the cafeteria. Accounts may be opened for as little as \$1.00, deposits as little as a penny thereafter. If you already have a Learn to Earn account, bring your green bag, passbook, and money to the bank table and check out our new prizes! Please contact:

After School Pick-up Area TRAFFIC JAM

Please, when you arrive to pick up our child at the pick up area, pull to the furthest forward spot and wait in your car. Mrs. Brown and Mrs. Lamb will then recognize your car and bring your child to you. If you wish to pick up your child at the office, please park your car in a designated parking spot and then come check your child out at the office.

"Fort Vannoy Seismic Grant"

Thank you so much for your help!

We want to thank everyone who so generously donated to the Fort Vannoy Seismic Grant through the Three Rivers Foundation. Many of you sent a cash donation, so we are unable to thank everyone personally.

We were able to raise \$1,000.00 as a display of support for the grant application. Community support for the project is a very important piece of the grant application.

The grant was hand delivered to Oregon Emergency Management in Salem on Friday, October 15th by Three Rivers School District Superintendent Dan Huber-Kantola.

The final grant request is for \$1.5 million dollars for seismic rehabilitation of Fort Vannoy School. We will know in January 2011 if we have received the grant funds.

Work would not begin until the summer of 2011 and continue in the summer of 2012.

Capri Sun and Healthy Kids Juice Pouch Recycle Program

The Fort Vannoy PTA had partnered with Terra Cycle in an effort to recycle empty juice pouches and earn money for our school. This is a really easy fundraiser! We receive money for each juice pouch that is collected and sent in by us. Terra Cycle even pays for the shipping.

If your child drinks either **Capri Sun** or **Healthy Kids** brand juice and water pouches, we will be collecting them in the cafeteria and sending them to Terra Cycle to be recycled into school products and supplies sold via their website, www.terracycle.com. We will also be happy to include those pouches that are used away from school. Just press them flat and remove the straws, then send them with your child to recycled in the cafeteria.

GREAT JOB EVERYONE!!!

Change for Change **Challenge**

Ducks vs. Beavers Change For Change
Once again it is time for our "Civil War"
Challenge theme for the Change For Change. The Change For Change Fund is dedicated to improving the outdoor areas of the school. This year we are raising money to improve the playground area with more concrete areas for floor games and perhaps a "Ball Wall". You can donate your change, bills or checks in the buckets found in each classroom or the office. At the end of the campaign, we will total all the funds raised and have an assembly where Principal Kathie Hill will dress up in clothing and accessories for the team with the most change. PRIDE students will assist Mrs. Hill in her clothing and accessory selections!!

Kids Zone **November 26, 2010**

The forth Friday of every month is Fort Vannoy night at the Kids Zone located at Club Northwest. From 5:30 pm to 7:30 pm your child can enjoy an evening of fun and exercise for the low price of \$5.00. Siblings are welcome to come join in the fun, with the supervision of parents. Remember, you must wear socks.
