BOARD OPERATIONS MEMBERSHIP IN ASSOCIATIONS

~~JUNE 20, 1988~~

Reviewed 12/2013

The Board of Education recognizes the value and importance of membership in and affiliation with organized associations through which problems of current and mutual interest and concern are discussed and solutions sought, group action can be made more effectively, relations improved with many governmental and public agencies, advisory services provided, and printed materials obtained.

The Board considers development in effectiveness a continuing process for the Board members and provides opportunities through attendance at district, county, state, and national conferences, workshops, seminars, legislative hearings and conventions. The Board will annually renew membership in the Wayne County Association of School Boards **and** the Michigan Association of School Boards, ~~and the National School Board Association~~. The superintendent will present to the Board, when available each year, the schedule of conventions for these associations and other related groups, such as the American Association of School Administrators, and the Board may designate delegates to attend. Attendance will be limited to two national conventions each fiscal year per Board member if the budget permits.
