Welcome Back from Principal Miller

Dear Parents and Guardians,

Welcome to the 2024-2025 school year! As we embark on this new journey together, I am excited about the opportunities ahead and look forward to working alongside you to support the growth and success of your

At our school, we are guided by the 3R's: **Respect, Responsibility, and Resilience**. These core values shape everything we do. We believe that respect for oneself and others fosters a positive learning environment, responsibility teaches students to take ownership of their education, and resilience helps them overcome challenges with confidence and determination.

Our commitment to your children's growth extends beyond academics. We are dedicated to nurturing their social and emotional development, helping them become well-rounded individuals prepared for future success. This holistic approach ensures that they are not only equipped with the knowledge they need but also the skills and mindset to thrive.

Communication is key to this partnership. I encourage you to stay connected with us throughout the year—whether it's through newsletters, parent-teacher conferences, or reaching out with any concerns or ideas. Together, we can create the best possible experience for your child.

Thank you for your continued support and trust in us. I look forward to an amazing year ahead filled with learning, growth, and collaboration.

Warm regards,
Principal Miller

Welcome Fleming 6th Graders!

Fleming Leadership leads the Morning Dance in the Courtyard

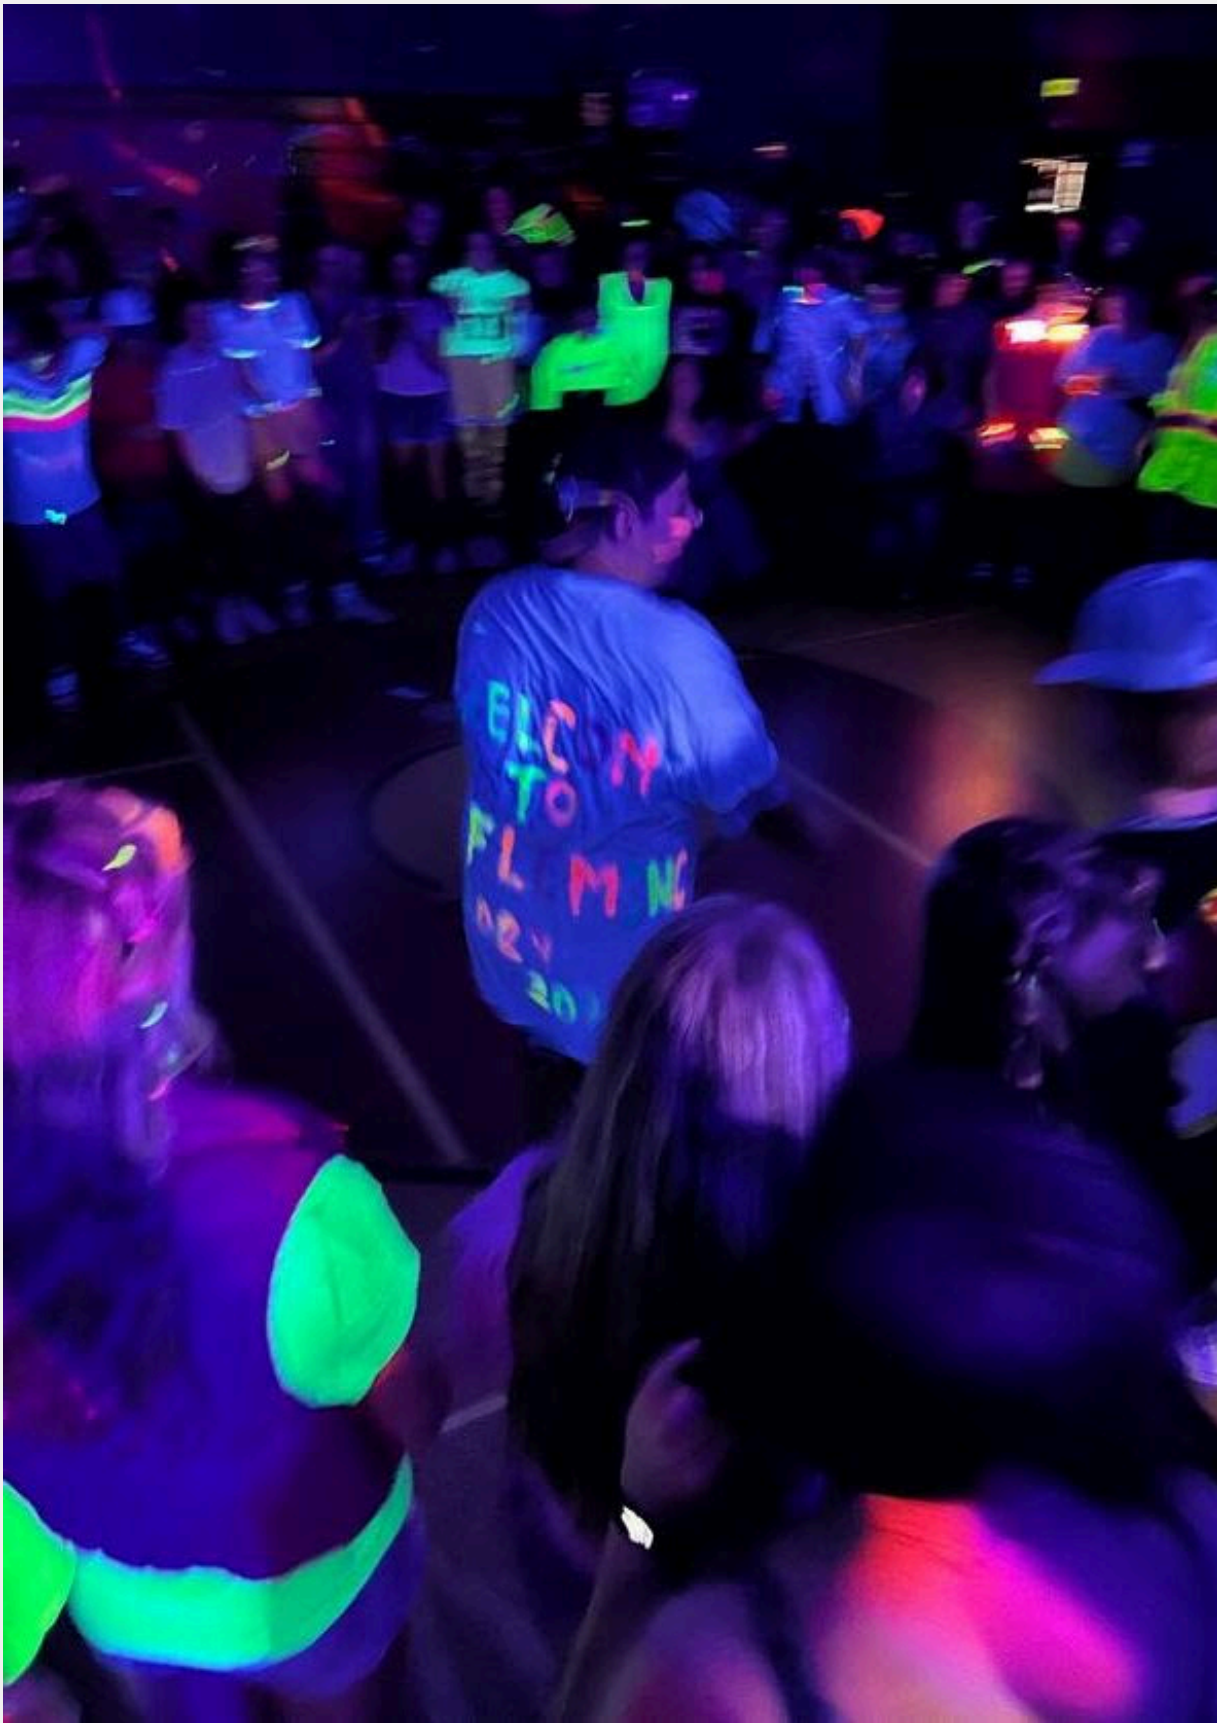

Fleming Athletics are underway. Our fall sports are Football, Cross Country and Volleyball. Thank you to all our Coaches this season. Games and meets start the week of September 9th. Check the Athletics tab on the Fleming webpage for the schedules.

SafeOregon. Feel Safe. Be Safe.

All kids should feel safe and be safe at school. SafeOregon gives kids, parents, schools and their community a way to report safety threats or potential acts of violence confidentially or anonymously with a simple phone call, text, email or by using the web form or mobile app.

Empower people to speak out, spark change, and save lives. Together, we make schools and students safer.

Academic Support - 9th period

Parents,

This year, Fleming Middle School has dedicated extra time within our schedule to provide an academic support class 9th period. Any student who is 2 or more grade levels behind in ELA or Math will be provided extra support.

Our Fleming team will: diagnose, target, prioritize, and monitor ELA and Math interventions and ensure proper intervention intensity.

WHY???

Intensive Interventions: extra help on prior years work.

- For students that have big gaps in their education.
- Kids are multiple grade levels behind.

GOAL

At least 2 years each year. Help has to be everyday.

Teachers along with support staff will be dedicated to the WHY and the GOAL everyday.

We are going to work tirelessly to help your child close the gaps.

***Note:** *If your child is in 9th period support and they are able to show they are at grade level, we will change their schedule and they will have an extra elective.*

Thank you for all your support.

If you have any questions please feel free to call Mr. Miller anytime.
