**Re:** High School Principal Report August 2025

---

Greetings from HHS!

This week was a new week for us as a high school. It was the first time in my 17 years here in the district that we held registration in the spring of the previous school year. So that made for a new experience this past week with students simply picking up their schedules and paying their fees during registration time. It seemed to go very smoothly the past couple of days. A big thanks goes out to the work that Mrs. Dorsey, Mrs. Romriell, Mrs. Lejardi and high school staff did to pull this all off.

We are looking forward to the start of the 2025-2026 school year at HHS! Teachers will be back in the building on Monday August 11th with students back on the 18th. After initial spring enrollment and looking at new students enrolling, we are looking at starting the school year at about 415-420 students. Some students are still trickling in these past few days. It should be another fun and exciting year as we work to help our students achieve their dreams.

As always, we are truly blessed to be here and to be a part of HHS!

Matt Holtry
