To BHS Administrators and Board Members,

Please accept this letter as my formal resignation from my position as the Browning High School Attendance Clerk, effective the last day of the 2023/2024 school year which is June 3rd 2024.

This position has been one of the greatest experiences I have had so far, I have very much enjoyed watching the students move towards their paths as young adults. I recently have had my own son and having a child has given me the drive to want to continue my education so that my son will be able to look up to college educated parents, something that I was never able to do. This decision has been a difficult one to make as I have developed relationships with many students in the district and leaving my position will mean that I am leaving them as well; however, it is a decision for the betterment of my family and my future. I also would want every student that I have met to remember that it is never too late to get their education and follow their dreams.

Thank you for the wonderful three years that I was able to spend in our district. I am very grateful for all that I have learned and the relationships I have built.
