Mr. Berlanga,

We will have to do a survey after school starts to see if a crossing guard is needed. Because South San Antonio ISD starts August 19, 2019, estimated to do survey will be on August 27, 2019. As far as the signage and any lights are concerned, you would have to get in touch with the Transportation and Capital Improvements Department for this issue. Thanks

Julia

Mrs. Neal, with the re-opening of Athens Elementary in the South San Antonio ISD, what are the procedures for re-establishing the crossing guards that were assigned on New Laredo Hwy and

W. Gerald Ave? Also want to ensure that the signage and any lights indicating a school zone are operations prior to 19 August, 2019. Thank you
