### **Staff Decision-Making/Staff Community Relations**

The Jackson County School District strives to achieve a relationship with the community that promotes joint planning and constructive collaboration concerning educational issues. The Board of Education directs the Superintendent to establish mechanisms which inform the community and parents of current issues and which solicit regular input of community, parents, students and staff regarding policies, procedures, programs and operations of the district. Such input will be considered for incorporation in the district's educational plan. The Board of Education may request a summary of community input.
