SUBJECT:

Report of the Campus Facilities and Construction Committee and Approval of Granting a Temporary Construction Easement to North Texas Municipal Water District for North Texas Air Valve Improvements

RECOMMENDATION

The District President recommends approval of granting the Temporary Construction Easement to the North Texas Municipal Water District.

RATIONALE

The North Texas Municipal Water District is requesting a temporary construction easement to be granted on land owned by the City of McKinney, Collin County, McKinney ISD and Collin College, with the legal description "Abs A0811, Mary Standifer Survey, Tract 49, .62 Acres" in McKinney. This easement will allow the NTMWD to upgrade approximately seventy (70) existing air valves to current TCEQ requirements, and repair/upsized manholes.

BUDGETARY CONSIDERATION

The NTMWD is offering the College \$375.00 for one year to access their equipment.
