

# Scholastic Book Packs!

Through the generosity of a private donor, in coordination with the Connecticut State Department of Education and Scholastic, Derby students in grades PK through 8 will be given book packs to supplement distance learning!

**This is a great opportunity to build your home library, read with your child and engage with each other!**

In order to safely distribute these book packs and to insure the health of our faculty, staff, families and students, we have put the following schedule and procedures in place! This information will also be available in your student's Google Classrooms.

- Grab & Go Book Packs will be available for pick up at your child's school on the dates and times below.
- Pop-up tents will be set up and staff will hand out the bags using safe social distancing and protective gear.
- If you are in a car, please pull up, put the window down a bit and put your hand out to get the bag. Staff will not reach or lean into your vehicle.
- If you are not in a car, the bag will be placed for you to safely pick up.

Everyone's safety will be our top priority!

We hope these book packs will be a fun way for students to continue their learning while we are not able to be together. Reading together is one of our favorite activities and these books will provide a great opportunity to snuggle up and relieve some stress during this difficult time.

We miss you all and can't wait to see your smiling faces!
