2021 -22 Allotment & TEKS Certification Form

School districts and charter schools are required to certify annually to the State Board of Education and the commissioner that, for each subject in the required curriculum other than physical education, students have access to instructional materials that cover all the Texas Essential Knowledge and Skills (TEKS). Districts and charters will be unable to order 2021 -22 instructional materials through EMAT until the certification has been received by the Texas Education Agency (TEA).

Complete the form below after the school board has certified. Indicate the instructional materials the district has adopted or plans to adopt for the 2021-22 school year for each grade level and core subject or core course.

If you have any questions or concerns, please submit a Help Desk ticket on the Instructional Materials and Implementation website.

Como-Pickton ISD
13017 TX Hwy 11 E
Como, TX 75431

Dear Dr. Bower:

Alliance Bank would appreciate the opportunity to extend our existing depository contract with Como-Pickton ISD. However, we require one adjustment to the contract which will lower the interest rate floor for our adjustable-rate contract.

During the first quarter of 2020 in response to the Covid 19 pandemic, the Federal Reserve Bank drastically lowered the overnight advance rates to a target rate of between, 0% and 0.25% which makes our depository agreement flooring the rate paid to your School District of 1.00% costly for the bank. The existing contract has an adjustable rate of the 30-day treasury bill plus 0.25 percent with a floor of one percent and a cap of five percent. We request that the floor rate of one percent be changed to 0.50% or one half of one percent as a condition for extension of the contract with no other changes.

Alliance Bank has served as your depository institution for many years, and the Bank looks forward to serving Como-Pickton ISD, teachers, students, and families for years to come.

Sincerely,

James M. Law

Alliance Bank agrees to extend the school district's depository contract for an additional two years with one modification to the current contract:

- The interest rate floor on deposits will be lowered to 0.50% from 1.00%.

If the school district agrees to this change in terms, please have the appropriate party sign below and return a copy to the Bank.

Should you have any questions, please feel free to contact me by phone at 903.439.6745 or email at jlaw@alliancebank.com.

Thank you,

James M. Law
President/CFO

Dear Mrs. Andrews,

Before anything I would like to say how much I have enjoyed my time here as a Jr. High Special Ed. Aide. Thank you so much for allowing me the opportunity to work in the Special Education Department, I am truly grateful. It has truly been such an awesome experience. I consider it one of the greatest blessings in my life.

Regretfully, as I look towards the future and retirement in a couple of years I find it in my and my family's best interest to make a move to increase my retirement benefits, annuities, and savings. Believe me, in my 41 years as a Teacher's Aide, money has never been a concern. However, due to the economy and the increase in the cost of living, I now have think about it.

This was not an easy decision because I love working at Como-Pickton. However, after praying and long hours of consideration I have made the decision to accept a Library Aide position at the Barbara Bush Primary school in Sulphur Springs.

Once again I have to reiterate that I made this decision not because I am unhappy but simply as a move that will increase my retirement benefits.

Thank you again for the opportunity to work in the Jr. High Special Education Department.
