In Re: Alpena County Allocation Commitment to Regional MRF

Dear Alpena County Board of Commissioners,

The Northeast Michigan Materials Management Authority (NMMMA) would like to request that the County of Alpena release \$150,000 (one-hundred and fifty thousand dollars) to NMMMA from the original set aside of \$500,000 for the development of the site and new regional multi-stream recycling facility. The purpose of the funds is to have seed funding for the grants match for the next phase of design/planning and site work.

Sincerely,

Ken Lobert  
Board Chair, NMMMA

Cindy Johnson  
Vice- Chair, NMMMA
