Subject: Math Tutor Position

Good Morning,

I've had a wonderful experience working at Irving. Mrs. Olson and the team at Irving were so great and I was so lucky to have worked with everyone there. Unfortunately, my ultimate goal is to be a classroom teacher. I was offered a teaching position in a different district so I will not be returning. Thank you so much for the great opportunity. Derby is an amazing community and I hope one day to come back as a teacher!

Have a great day!

Lamia Musallam
