

# Teaching and Learning Department Board Report

Date: April 29th, 2024

Report By: Jenelle Cummins, *Director of Career and Technical Education and Community Relations*

## CTE, Health, and Physical Education Instructional Materials Adoption

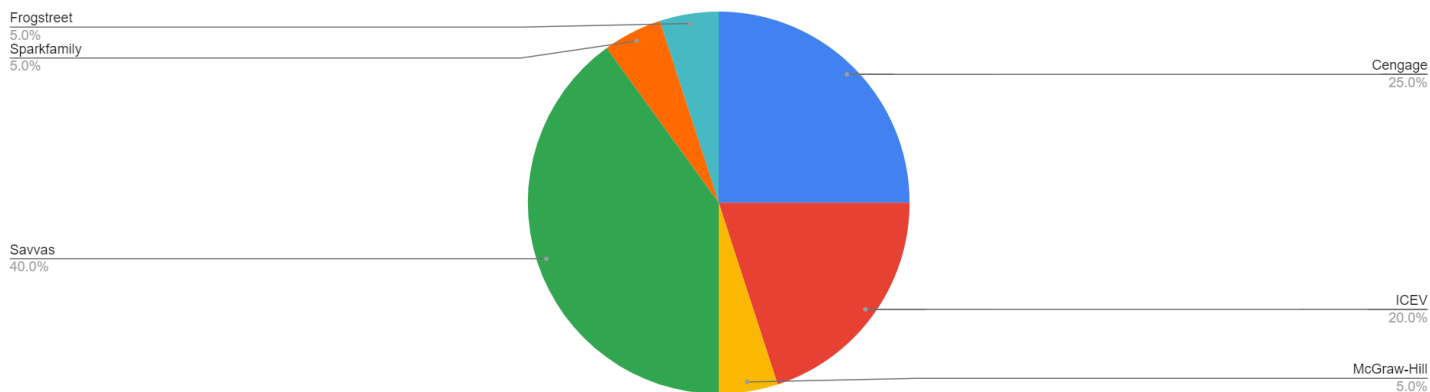

This year's Instructional Materials adoption was in the area of CTE, health, and physical education. We had presentations and materials available for teachers from publishers such as Savvas, McGraw Hill, Cengage, and ICEV. A document was created for teachers to examine each curriculum and rate each in the areas of resource support, assessments, alignment to standards, and instructional engagement. After teachers have had the opportunity to review curriculum and materials, they were asked to provide their written recommendation and justification for the publisher/curriculum that they recommend.

Career and Technical Education programs across the district vary in subject matter that is aligned to labor market data for our region, in order to best prepare students for the future world of work within New Mexico.

We would like to move forward with adopting the following state approved curriculums:

Course	Curriculum/Publisher	Publisher
Health	Teen Health/McGraw Hill	McGraw Hill
Business- Year 1	ICEV	ICEV
Business- Year 2	Entrepreneurships: Owning Your Future	Pearson
Career Exploration	Exploring Careers for the 21st Century	Pearson
FACS	Culinary Arts	Pearson
Health Science	Health Science Fundamentals	Pearson
Welding	Welding Principles and Applications	Cengage
Agriculture	ICEV	ICEV
Construction Trades	ICEV	ICEV
Education	Foundations of Teaching	Pearson
Computer Science- Year 1	Computer Science A Problem-Solving Approach	Pearson
Computer Science- Year 2	Programming Logic and Design	Cengage
Computer Science/Media Production	Adobe Creative Suite	CDW
Physical Education (K-12)	Spark Family	Spark

Number of Teachers/departments

Course/Grade Level	Name of Book to Adopt	
Education (9-12)	<a href="#">Beginnings &amp; Beyond: Foundations in Early Childhood Education</a>	Cengage
Welding (9-12)	<a href="#">Welding: Principles and Applications</a>	Cengage
Agriculture (9-12)	<a href="#">Introduction to Veterinary Science</a>	Cengage
Engineering (9-12)	<a href="#">Engineering Fundamentals: An Introduction to Engineering</a>	Cengage
Agriculture (9-12)	<a href="#">iCEV - Agriculture</a>	iCEV
Construction (9-12)	<a href="#">iCEV - Construction</a>	iCEV
Business (9-12)	<a href="#">iCEV - Business</a>	iCEV
Family Consumer Science (9-12)	<a href="#">iCEV - FACS HS</a>	iCEV
Health (7)	<a href="#">Teen Health</a>	McGraw Hill
Education (9-12)	<a href="#">Foundations of Teaching</a>	Savvas
Computer Science (9-12)	<a href="#">Fundamentals of Computer Science</a>	Savvas

PreK	<a href="#">Frog Street</a>	Frog Street
------	-----------------------------	-------------

Below is the funding that will be used to purchase the Instructional Materials.

<b><u>Publisher</u></b>	<b><u>Grades</u></b>	<b><u>Price</u></b>
Cengage	Grades 6-12	\$28,421.25
CDW	Grades 9-12	\$5,000.00
iCEV	Grades 6-12	\$60,113.90
McGraw-Hill	Grades 7-8	\$3,080.00
Savvas	Grades 6-12	\$68,380.51
Gopher Spark/Spark Family	Grades 6-8	\$4,713.33
<b>Funding</b>	Total Cost	<b>\$169,708.99</b>
<b>Total Allocated- IM 11000 (24-25)</b>	\$396,682.91	
<b>Total Possible Funding</b>	\$396,682.91	

PreK teachers met and went over various curriculums to identify one for selection. Teachers identified Frog Street curriculum as the best fit for students based on the following; online component looks easy to use, tactile components to build letters, connects to school ABC mouse, training offered by Frog Street, varied vocabulary levels, and a parent involvement component which makes a home connection to learning.

<b><u>Publisher</u></b>	<b><u>Grades</u></b>	<b><u>Price</u></b>
Frog Street	PreK	\$28,979.93
