

Action Sheet

MEETING DATE:

January 22, 2020

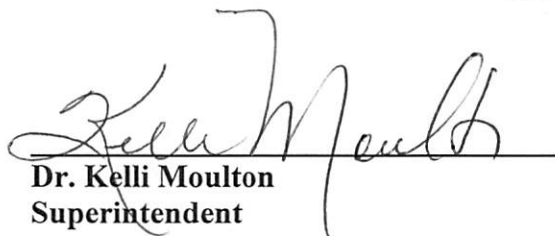

AGENDA ITEM:

Discuss and consider approval to apply to the Moody Methodist Church Permanent Endowment Fund.

The Ball High School BioMed and STEM Communities seeks to apply for the Moody Methodist Church Permanent Endowment Fund to purchase an Anatomage Table for the Anatomy Lab. The Anatomage Table provides a digital cadaver that has more than 2,500 anatomical structures in 3D imaging that are highly detailed and can be segmented for study. The table will provide students at Ball High a hands-on, digital learning experience. The grant request will not exceed \$125,000.

RECOMMENDATION:

I move that the Board approve the application to apply for the Moody Methodist Church Permanent Endowment Fund.
