SUBMITTED BY: David R. Canales, Executive Director of Middle School Instruction

OF: Curriculum and Instruction Department

APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: October 18, 2017

Informational Report:

Senate Bill 1474 requires the local Board to hold a public hearing to allow feedback from the community. This process provides school districts the opportunity to obtain feedback while deciding if any proposed curriculum meets the needs of their district.

It is recommended that the Board of Trustees, allowing community feedback, approve the IXL math software program as an instructional resource (SSI) to assist students with math deficiencies thus improving fundamental math skills and STAAR scores.
