Superintendent  
Quanah Independent School District

July 13, 2017

Dear Mr. Turner,

Please accept my resignation from my position as a fifth grade teacher at Reagan Elementary School effective immediately.

I write this letter with a troubled and apologetic heart. I was presented with an opportunity yesterday to teach first grade at City View Elementary; and upon prayer and deep discussion, Bryson and I believe this is what is best for our family and my safety. Although still a commute, it will be shorter and more importantly, a safer traveling experience. I appreciate the opportunity you have given me to teach for Quanah ISD, and for always being so supportive of me.

I wish you all the absolute best for this upcoming year and the years ahead.

Sincerely,  
Kylie Johnson
