Mr. Joseph Leschisin  
Cameron School District  
Cameron, WI 54822

Dear Mr. Leschisin:

The new flag pole has been installed at the high school football field as discussed last spring. It is a 25 foot aluminum pole, same height as the previous pole. It will never need to be painted and is ready for the first home game.

A plaque will be attached stating:

Charles "Chuck" Kamrath  
Memorial Flag Pole  
Donated by his family

September 2013

There was no plaque on the old pole which I have stored. If the school district wants it, please let me know so I can deliver it.

Sincerely,

LaRoy Lucken
