Eagle(s) of the Week: Every week of school, a student is recognized by their classroom teacher at our daily morning meeting for their efforts and accomplishments. Each individual receives a bonus 25 LiveSchool points and a positive phone call home from the principal. The following students were recognized for their efforts last week:

- ECE: Glenn
- Kindergarten: Walter
- ½: Iryss
- ¾: Abigail
- ⅝: Isiah and Monica
- ⅞: Henry and Calvin
- High School: Andrea

Attendance: Please see the attached district attendance report. We are receiving a high level of communication from parents when a student is absent; the primary reason for an absence is a medical reason. We regularly communicate the importance of ongoing attendance to families during morning meetings, on Facebook, and using robocalls.

Personnel: Ethel Burke has resigned from her position as ILT; we are working to train Bobbie Aveoganna to fill the vacancy for the remainder of the year. We have also received a resignation from Jannine Wood for the 7/8 grade classroom and Kathy Brower for the Library Aide position.

Culture in our School: ASRC is visiting this week to host Inupiaq Days. We held a school assembly then the school was broken into two groups that spent an hour playing games, talking about Inupiaq culture and values, and shared resources available.

Curriculum and Instruction:

- Community/School Expectation Agreement revisit.
- School event calendar and next year calendar discussion.
- Budget information.
- Pre-excused absence form.

Student Activities: Basketball home games were cancelled this week due to player ineligibility and shortage of players. We currently do not have enough players for a girls We hope that there will be enough players for the boys' team to travel to Nuiqsut 2/16-2/17.
