Board Information X

Background Information

On a three-year rotation the school board reviews policies which are available at www.rwps.org > District > Policies, Handbooks and Notices.

MSBA is in the process of deep review and revision of existing policies.

Policies 707, 710, 711 and 712 are a part of the MSBA review but do not involve substantive changes or involve legislative legal updates over which school boards have no control; the revisions can be adopted in a single meeting. These policies will be reviewed at a later date.

Polices 708 & 709 have substantive changes or additions and will require the multiple meeting adoption process.

Policy 708	Transportation of Non-Public School Students	Update provisions
Policy 709	Student Transportation Safety	Update references; updates 'serious traffic violation'

Recommendation

Any changed policies will be presented to the school board at an upcoming meeting for approval
