SUBJ: Seal of Biliteracy

During the Study Session of Monday, December 9, 2024, Theresa O'Brien and I shared with the Board of Education the opportunity for multilingual students to earn a State of Michigan approved Seal of Biliteracy upon receiving their high school diploma. We would like to continue this ongoing discussion at the Committee of the Whole meeting on Monday, December 9, 2024.

Please add this item to the Curriculum portion of the agenda for the December 9 Committee of the Whole meeting.
