

Head Start Board Report November 2024

Enrollment and Attendance

Head Start and Early Head Start average daily attendance was 79%. We have one opening in the Head Start 3-year-old classroom that we are in the process of filling.

Head Start Parent Activities

Parent and Policy Committee meeting was held on November 14th. We had great attendance and parents enjoyed “Donuts with a Grownup” before the meeting. Conferences are almost completed.

Education & School Readiness

Staff is continually assessing classroom needs.

COR/CLASS Report

Teachers continue to enter COR.

Mental Health

Mental health referrals and resources were given to all families with need.

Disabilities

EHS is serving one student with a diagnosed disability and HS is serving four students. Services are being provided for students with need.

Nutrition

Lake Orion Community Schools Food Service is providing meals. Nutrition policies and procedures adhered to.

Family & Community Engagement

Resources have been given to families that have requested support.

Program Governance

The first Parent and Policy Committee meeting was held on November 14th.

Health

The program continues to maintain all child health requirements. The Oakland County Health Department sent a dental hygienist and dental screenings were completed for all families that haven't turned in a dental visit form.

Budget/Grant/Contract

The program is working with Finance on funding and budget requirements. We are working with OLHSA regarding any grant needs.

Credit Card Purchases

The credit card was charged a total of \$298.18.
