MMEA (Minnesota Music Educators Event) is hosted in Lanesboro the first Friday in April each year. It is a unique opportunity for Elementary students as there are not many sponsored events of this kind for young musicians. Students in 4th, 5th, and 6th grades are nominated to be a part of the nomination only choir. The students spend part of the day/evening rehearsing the music as a large group with neighboring schools; the group usually ends up being around 100 students. By the end of the day, the students put on a concert to show all of the hard work that they have put in throughout the day. There is a singing portion and a dancing portion to the concert. Each year it is remarkable to see such a talented group of students from Southeastern Minnesota can do! - Message from Miss Ingvalson
