SUBJECT: Ongoing Contract with Utah State University ASSERT Consultation

The Special Education Department and Utah State University ASSERT have a memorandum of understanding (MOU) for a Weber School District behavior consultation. Consultants will provide training, coaching, and feedback to a targeted group of special education teachers in Weber SD across grades and settings. This position is one strategy that the LEA employs to improve outcomes for children with disabilities under IDEA particularly students with behavioral challenges. Total contract budgeted amount is \$49,926. Thank you for your support of our special education students.
