# Board Accountability

Date	CIP Board	Comments	Initial
06/6/2018	<ul style="list-style-type: none"> <li>▪ Superintendent Report</li> <li>▪ CIP Agenda Item</li> </ul>	DUE OCTOBER 1: New Templates Available. 2017-18 Data is being finalized and will be reported to the Board. New Testing Data is being reviewed for 2018-19 plan. The Literacy Plan (Hansen/ Worthington) The College and Career Readiness Plan (Daniels/Ledbetter) are being reviewed to prepare for next year's goals and benchmarks.	
07/09/2018	ISAT Testing Overview	Data distributed to board. ISAT Targets critical areas identified by Leadership Team	
08/20/2018	<ul style="list-style-type: none"> <li>▪ Superintendent Report</li> <li>▪ CIP Agenda Item</li> </ul>	Leadership team met to finalize data metrics and set benchmarks. Draft CIP presented to Board. VISION MISSION GOAL specifically on agenda. Item tabled until September.	
9/19/2018	<ul style="list-style-type: none"> <li>▪ CIP Agenda Item</li> </ul>	Board finalizes MISSION VISION GOAL. Accepts CIP. CIP Posted to website and link sent to SDE.	
10/24/2018	<ul style="list-style-type: none"> <li>▪ Superintendent Report</li> <li>▪ Worthington</li> </ul>	<p>Curriculum Director and process in place. Goal is to raise ISAT and other assessment scores, as well as to focus on individual student growth. Principals providing plan at building Level. IPLP's and evaluations aligned to the goal.</p> <p><b>Literacy Plan</b></p> <ul style="list-style-type: none"> <li>▪ The first IRI (Idaho Reading Indicator) testing was performed during the week of September 4th. This test is given the first week of each month, and Istation is also used for student RtI. The data from the IRI using the Istation computer program was gathered and evaluated during grade level PLC weekly meetings.</li> </ul>	

- After completing the testing, each student was given a proficiency tier of a 1, 2, or 3. Depending on the tier, the students are provided with additional intervention depending on the proficiency tier rating.
- The Thirkill Elementary staff received staff training on the Istation on August 22, 2018 from Istation representatives.
- The Thirkill Elementary staff did a collaborative training on the different uses of Istation on October 4, 2018. Additional data discovery training was given to five Thirkill Elementary staff members on October 9, 2018. This training was delivered by both the Idaho State Department of Education and Istation representatives.
- 60 computer tablets were purchased and designated for the two kindergarten classes are being used for both IRI testing and intervention.
- Currently, ongoing student data collection is taking place after each test and being evaluated weekly by each teacher in our PLC meetings.
