Challenges: We continue to meet to get everything in order. There is still more planning to do but we have made progress. We are getting ready for our annual Christmas play and it will require lots of time and work.

Positives:

October has gone by so fast. Our PTO and community worked hard to put on our Halloween Carnival. We had 60 parents and community members as well as 52 students from the school and community. It was a wonderful community event.

Thanks to PTO our students were able to attend the Sweet Pickens Pumpkin patch. Each of the students received a pumpkin and had a wonderful time.

We also had a Glacier County Sheriff come in to talk about safety with our students prior to Halloween.
